HISTORIC AMERICAN BUILDINGS SURVEY

JOSEPH WEIGLE HOUSE

HABS No. MO-1549

Location: New Madrid, New Madrid County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1850, house is older than the present town (being some three or four times removed from the first town of New Madrid) and this house may have been moved from one of the earlier sites, or it may have originally been built on present site originally several miles from the old town and the Mississippi River.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the [REDACTED] records for MO-1800.
